The body of a boy was found in the river at St. Mary last Monday.

The body was that of a boy about thirteen years of age, with auburn hair and a small part of the left ear off. When caught the body was nude, and a stick of cordwood was clamped in the arms. An inquest was held on the remains Monday evening by Squire Mattingly.

While assisting her husband in sawing wood last Monday Mrs. Anton Schwartz of New Tennessee, this county, was caught by the saw and so terribly cut that she died on the following Wednesday. She was standing close by the saw and her dress was caught by it and her right leg and arm were almost severed from the body.

We understand that the baseball boys of Booneville and Crystal City have combined, taking the best players from each team, and intend to play a game of ball with the Riverside B. C. of this city in a short time. Come on, boys, but it is our honest opinion that the two above named towns can not send out a nine strong enough to defeat the Riverside.

The picnic at New Orleansburg on Saturday last was a very pleasant affair and Mr. Wendolin Hogenmiller tells us that he was very well pleased with the crowd of people who were present. The fireworks at night were beautiful and the display continued for over an hour. Dr. Morganstein had charge of the fireworks and was informed handled them like a professional.

The Democratic Central Committee of Ste. Genevieve county will meet at Mayor Rozier's office in this city next Monday, July 15th, to decide the best means of selecting candidates for county offices. The school board met last Tuesday and appointed the following teachers for the coming year: Principal, Prof. E. J. Dougherty, of DeSoto; Intermediate Department, Prof. James M. Mahoney; Primary Department, Miss Rose E. Barry; Colored school, Prof. D. W. Anthony. The three last named teachers taught in our Public Schools last year and gave general satisfaction.

Dr. Andre requests us to say that there is no truth in the rumor now circulating in town that he is going to spend next winter in St. Louis. The doctor is now permanently located here and ready to attend to his old and new patrons. Office in the building formerly occupied by the Ste. Genevieve Herald.

We were told this week that a correspondence in answer to "Stranger" had been mailed to the FAIR PLAY office from Jonea one day last week and some person at the New Orleansburg picnic was speaking of the FAIR PLAY in "complimentary" terms because the correspondence did not appear in our last issue. All we have to say is that up to date the correspondence has not put in its appearance and we are patiently awaiting its arrival. The FAIR PLAY is always ready and willing to publish both sides of a question.

The Southeast Missouri Teachers Association will meet at Booneville on Wednesday, July 16th, and continue in session three days. Genevieve, DeSoto, Poplar Bluff, Ironton, Piedmont, Cape Girardeau, Farmington, Charleston and Booneville, and prizes will be awarded for the best display. This is the fourteenth annual session of the Association and it will no doubt be an interesting one. Teachers from all over the Southeast should attend.

Silver Wedding.

Sunday last was the occasion of the twenty-fifth anniversary of the marriage of Mr. and Mrs. Valentine Seitz, or as the period demanded, their "Silver Wedding," and to judge from the number of handsome and costly presents which arrived previous to the celebration, this fact had not escaped the memory of a concourse of friends who put in an appearance later in the evening to participate in the festivities of the joyous occasion. Social conversation was indulged in, only to be interrupted by the merriest strains of the Progressive Band, which is ever on the alert to add to the further enjoyment of every such occasion. An abundance of the most delicious refreshments served in a manner most suitable by the host and hostess, assisted by their handsome daughters, gave evidence of their thoughtfulness and fully satisfied the requirements of the inner man. The approach of the wee small hours found the guests loath to part while wishing the happy nuptials all pleasure and prosperity for many years to come, to which the FAIR PLAY happily concurs.

Appended is a list of the presents which were very handsome and valuable.

OBITUARY.

DIED, at her home, near Union, Ste. Genevieve county, Mo., on Saturday July 3, 1890, at 12:30 p. m., Mrs. Susan Alexander, aged 71 years, 8 months and 19 days.

The deceased whose maiden name was McDowell was born in Franklin county, Tennessee, on October 16, 1818, and moved with her father to Missouri at the age of 16 years. In 1844 she was joined in the holy bonds of matrimony with James L. Alexander. Mrs. Alexander was the mother of nine children, five of whom are living, three boys and two girls. They are all married, with the exception of one daughter.

The deceased was an exemplary wife and mother and a true Christian and a woman, loved by all who knew her. She leaves a husband and five children to mourn her loss who have the sympathy of the entire community in their sad bereavement, and may they so live that when their blessed Saviour calls them they will be prepared to meet their dear mother in Heaven where parting will be no more. Her remains were interred on Sunday afternoon in the McDowell cemetery, a large concourse of mourning friends and relatives following her body to its last resting place.

A FRIEND.

To "Stranger."

Hurrah! for "Stranger!" Just keep on in that way and you will soon be acquainted with the Farmers' and Laborers' Union. It looks as if Jonea is coming to the front now with news since we nominated a farmers' ticket, and since "Stranger" has been found in that part of the county. It seems to me that "Stranger" is or was seeking an office but now come the farmers and say: "No, we want men who are acquainted and not a "Stranger." He is warning the farmers to have their eyes skinned on that third party ticket, but I think we have followed "Jack Acks" up the corn rows long enough to learn how and for whom we shall vote, and need not the advice of a "Stranger." He says that a fat office is what we sigh and cry and almost die for, but I think there is no man in the county who is crying louder than "Stranger." We must have frightened him when we jumped from behind that stump so badly, that I am afraid he will die before he gets into an office. "Stranger" need not ask us to blow our horn now for our candidates are out and that horn will be ready to blow next November when our candidates are elected to fill their office.

One more thing I have to say Mr. "Stranger" and that is our farmers have strong nerves and will pull through without "Dick or Devil."

A FARMER.

Ste. Genevieve, Mo., July 7, 1890.

Pleasant Grove F. & L. U.

At a regular meeting of Pleasant Grove Farmers' and Laborers' Union, the following resolutions were passed:

We, the members of Pleasant Grove F. & L. U. do not feel any compulsion or obligation resting upon us to support the county ticket, known as the "Farmers' ticket," which was nominated at Donze's store on June 11, 1890, and we will not support the above named ticket for the following reasons:

1ST. The nominating committee violated Resolution No. 14 by going outside of the order to nominate candidates (excepting Proceeding Attorney) thereby violating the good intention and purposes of said resolution No. 14.

2ND. By nominating men known to them to be no farmers at present and quite probably never have been.

3RD. By nominating men not recommended by the sub-union at all.

4TH. By nominating men for county offices wholly from Ste. Genevieve and Union townships and none from Beauvais, Sabine and Jackson townships, thereby discarding the voice of three-fifths of the people.

Be it further resolved that we ask our sister unions throughout the county to consider these facts herein mentioned and pass and publish similar resolutions. FRANK J. PRIME, Secretary.

JOHN C. JONES, President.

JOHN C. JONES.

We celebrated our 4th on the 5th.

"Marquais," your pinch away is no good and if the bees swarm soon they will not be like the F. & L. U.'s without a leader.

Yes, the old, blue hen has her feathers smooth and if we had you here we would have a nice little pair of blue chicks.

We hear that G. J. Ditch is a probable candidate for assessor. Come forth, Goforth, and come like a Democrat and you will find that you have friends in Union Township.

Mrs. Dicy Barnes and family of Booneville are visiting relatives here.

Farmers, what do you think of the man who says: "I have pulled off my old political coat and laid it down and I intend to take the Alliance on my shoulder and pull through." I don't know what you think about him but I think he is a man who is sucking the office teat, and ought to be notified by all true Democrats and Republicans.

The picnic at New Orleansburg last Saturday was a grand success, every-

thing passed off quietly and the people all seemed to enjoy themselves.

Where is that little townfolk from Jonea who threatened "Stranger?" We would like to hear from him.

"Marquais," if you don't pull your ticket in we are going to spoil it for you and we will not have to go to the blacksmith shop. We would advise you to stay away from the shop as you all ready have a touch of the hard head.

Well "Marquais," how would you like to have a song. Pretty well, we suppose. Just clip these few verses from "Stranger" news this week and see if you can fix a tune for them. Now, sing this song:

THAT TICKET.

Now, gentle, give attention. While we sing about your ticket. For when we sing to the polls to vote Every one of us will stick it.
